I don't think this would benefit been a prayer room as there isn't that many of that culture that lives in that area also there is no were to park and car park is already an issue and which will mean people will start to use doctors or down side streets which will cause many problems as there isn't no parking in doctors for people or people that live in on those streets! There are far too many pray places as it is, if this gose ahead or will cause massive uproar for us residents in this area!
