Postcode:	WF12 8AN

User comments

Type of comment: An objection
We object to the proposed plans as this would cause issues with traffic and noise to our home, there is no adequate parking for this kind of property, in previous years there where a lot of road traffic accidents on the section of road outside this building which have only been controlled by the pedestrian crossing, surely this would increase the risk to children crossing to school or to the local park that runs along side. This is not a predominant muslim area that would require a prayer room for its local residents.
