<p>After reading your proposals on the said building, I feel this is not best for the community. First and foremost the safety. It states that it will only hold 25 members and is for those within walking distance, I find it highly unlikely that people will not be driving to the property, therefore causing traffic on Wakefield road which puts our children and elderly at risk when crossing such a busy road. The building is very unsightly and as stated in the planning there will be reflective mirroring in the windows, this will be not give it kerb appeal.</p>
