Postcode:	WF12 8AN

User comments

Type of comment: An objection
My son who lives with his mother will soon be moving to the area and this proposal severely effects the times i would be visiting/collecting my son from her property to see him regularly. I wish to strongly apose this application as I believe the location is unsuitable for circumstances and reason for use given. There is no way to viably control the traffic caused by this application and the dangers to pedestrians that this increase in traffic would cause. The road the property is situated on is already a nuisance and has issues with traffic, with one local resident taking matters into his own hands which has been widely published across online media outlets and has also gained national television interest. The property would clearly bring higher vehicle levels to the area at already peak times and cause congestion for commutes into and out of Dewsbury as well as the aforementioned threat level increase to pedestrians in and around the area with this propey in addition to local schools and businesses traffic.
