<p>My concern is to do with traffic.</p> <p>I'm unsure who is supposed to keep checks on membership the council ? or what the terms of membership are to include such as associated members within the same family? etc</p> <p>Access by walking only....who is monitoring that.?</p> <p>Because of the lack of openness and vague outline on membership there is a possibility of the numbers using the facility being abused. If this were to happen, due to its location. There is already an over populated car to street number in Wakefield Crescent, with very poor parking numbers. Double yellows on the A638 and pelican crossing straight outside the facility.</p> <p>Local roads to a quiet cul de sac mainly bungalow residence and no space for additional parking.</p> <p>Old bank road, already with cars double parked mixed with double yellows.</p> <p>Business parking at Tesco's, Valley Batteries and the Hairdressers opposite potentially used as a drop off or wait to pick up. Will cause nothing but more congestion and delay.</p>
