| <p>There does not appear to be any publications of intention in the immediate vicinity of the property. This will reduce the number of people who are aware of the proposal, along with the vast reduction of pedestrians and motorists at the moment , due to Covid. This will impact on the true numbers who may have objections - the timing is not good. The property is close to a crossing and I have concerns that increased vehicle numbers would be hazardous to the public crossing an already busy road.</p> |
