Dear

I would like to strongly object to the planned change of use for 260 - 262 Wakefield road Earlsheaton Dewsbury WF12 8AN from a newsagent into a prayer facility. Application number 2020/90784.

Mainly due to the problems this will cause with traffic, noise, and the disruption to the nearby neighbours. I do not feel that this area either warrants or needs a facility such as this. Please would you put my feelings forward to the relevant people, and hopefully do what you can to stop this going ahead. Thank you very much.

Yours sincerely,
