

Wednesday 6th May 2020

Dear Sir/Madam,

Kirklees Planning Application 2020/62/90784/E

I wish to object to the above planning application.

There is inadequate parking in and around this site to cope with the visitors to a prayer facility. Parking is already at capacity on Wakefield Crescent, and there are double yellow lines on Wakefield Road itself, which is a busy road at all times of day.

It is not credible that most visitors to this site would come by foot, and this cannot be policed anyway.

I hope you will take my concerns into account before making a decision.

Yours faithfully,
