<p>There are already an excessive amount of parking issues around the area and makes it difficult to manoeuvre around the local roads, especially with the school, the priory hospital, numerous local businesses and a new housing estate on the next road. What used to take a 5 minute drive to get out of the area now takes 12+ minutes and Wakefield road is constantly busy at every time of day. This would add to that traffic disruption and would potentially increase the risk of accidents.</p>
