Postcode:	WF12 8AN

User comments

Type of comment: An objection
I wish to pose an objection to this proposal. The traffic volume in this area is uncontrollable now, given the times proposed on the application this is rush hour, there will be cars, taxis etc parked everywhere. This also backs onto a residential area again where parking is difficult, people will be arriving home from work unable to park outside their homes, possibly with children in the car. I also don't understand the demographic of this, earlsheaton is not an area which is predominantly Muslim, there are mosques and prayer facilities close enough for those who are of that particular religion who need a place of worship. The location of this is not appropriate given its on a main road in and out of Dewsbury and that it also backs onto residential areas.
