Responding Ref: 2-5-14

This application seeks approval to the erection of a two storey side and rear extension and retaining wall at 174, Lamb Hall Road, Longwood, Huddersfield.

Planning permission was granted in 2017 on this site for the erection of one 3 bedroomed dwelling with access from Lamb Hall Road - application number 2017/91448.

This proposal is for two storey side and rear extension to provide an entrance/sitting room, office space, conservatory and decking.

Access and parking arrangements are unchanged by these proposals and Highways Development Management have therefore no objection to these proposals.

No specific highway conditions are needed.
