<p>I object to the developers road adoption proposals for part of Bierley Marsh.</p> <p>The developers road adoption proposal encroaches on common land, in the registered ownership of Kirklees Council, but over which other people have rights. The area has obvious traffic concerns with the proximity of the school and dance studios.</p> <p>In respect of the above, I feel that meaningful consultation should take place with the developer, Kirklees Council representatives and local interested parties, before any determination, on this planning application, is made. Meaningful discussion is also required on other concerns being raised as part of this process.</p>
