I am objecting to any extension to the rear of this property, because it would encroach on Green Belt land. When planning was applied for in 2015, (2015/62/90759/E), local residents pointed out that some of the proposed housing was on the Green Belt. The plans were modified so that the buildings were no longer in the Green Belt, but all the gardens are in Green Belt. This can be seen in the superceded plans : (Superceded Documents [id 620178] Size: 1.1MB 19/01/2017 - Site Layout 3544-033 PL01 Rev W). The Park Farm Estate is a sympathetic development which has not detracted from the historic aspects of this village, situated as it is in a conservation area. Any further extension to the Park Farm development would be detrimental to the pleasant rear view aspect, which has an attractive uniformity when seen from the footpaths over fields towards Thurstonland and from the road towards Storthes Hall.
