Subject: Planning application 2020/91234
Date: 18 July 2020 18:27:08

Dear Sirs

Having viewed the application details and plans for this, in respect of 238 Deighton Road, HD2 1JJ, I have one major concern.

I fear that were the building to be converted as shown, this would severely impact upon my comfort and privacy whilst in my own dwelling.

I ask you to take this into consideration when reviewing this application.

Yours Faithfully
