This application seeks approval to the erection of a two-storey extension to side and rear and a single storey rear extension at 75, Briarlyn Road, Birchcliffe, Huddersfield.

This proposal is to demolish the existing garage and build the two-storey extension on existing driveway to the side of the existing house in order to create a 5 bedroomed house.

Two existing off-street parking spaces are shown to be retained to the site frontage and Highways Development Management have therefore no objection to these proposals.
