Type of comment: An objection
Dear Mr Simcock Firstly I'm very disappointed to learn of this at this late stage ...of the development as we have not received any notification of this from Kirklees even though we overlook the area .If it hadn't been for the next door neighbour we would not know anything about this. So I Object to the development and the access from Fenay Bridge Road which is at best very busy at school times already there are. large wagons taking shortcuts from Wakefield Road to Station Road and also we seem to have quite a few drivers that use this road as a race track also the road is quite narrow and it bends around to join Station Road which makes it blind in some cases .So therefore I think it would be very dangerous to have the Access off Fenay Bridge Road because of this . Another point is loss of trees and shrubs and habitat for wildlife Bats and Owls frequent this area . Kind Regards
