Dear Ms Mansell

**We wish to place on record our concern regarding the proposed development
By Keyland Developments between Cliff Hollins Lane and the M62.**

**We agree with the concerns of the people in Oakenshaw regarding this.
The surrounding area to the site entrance is extremely busy at times with
one way traffic on the area before the proposed entrance. In
particular we are very concerned about the village school with the extra
traffic which will be using the road next to the school. Also with regard to
the parents parking at the side of the road where there will now be heavy
traffic.**

**Therefore we would like you to add our dissatisfaction to this proposed action
and we wholeheartedly support the residents of Oakenshaw and Lower
Woodlands in this matter.**
