I worry that this will bring to much traffic into the courtyard area, there will be no privacy. My house is and with businesses hours up until 10.30 at night this is very disconcerting and a serious issue for privacy and security. As a this is a very real concern for me particularly with the noise disturbance from people coming and going late at night. This is a quiet and friendly courtyard and it will be greatly disturbed and disrupted by these severe changes, the character of this area will be greatly changed. Please seriously reconsider this proposal.
