Subject: Planning application no 2020/91623

Dear Sir

Re: planning application 2020/91623

Please accept my apologies. I am helping a near neighbour of mine with this application as she is not well enough to do it herself. Unfortunately the house number and reference to a previous planning application that was granted were wrong. The house number is 14 Moor Cottage Close and the previously granted application was 2016/TWA/92596/W

Apologies again for any confusion.

Regards

David Proud
