Good morning Ellie

Regarding the location at Bank gate mills, unit 2 Bank gate, Slaithwaite

After looking within the village centre for any suitable locations there wasn't any suitable due to (size, price, and location)

Size - Nothing was the right size to accommodate.

Price - Found nothing at the right price to match the size needed.

Location - Found nothing within a suitable location

The unit, I feel, is in a perfect location situated on the outskirts of the village centre and is away from commercial companies and buildings, preventing noise issues, traffic congestion and complaints.

The unit is a perfect size for a gym and fits nicely within budget, this will help give the local community a chance to get back to keeping fit due to nothing being available locally.

Please let me know if you need anything else.

Regards
