What is the application for?:	Part demolition of boundary wall to form new off road parking space (within a Co
Address of the site or building:	22, Town Head, Honley, Holmfirth, HD9 6BW
Postcode:	WF14 8EA

User comments

Type of comment: An objection
1. I am of the opinion that the dry stone wall is of historical importance and needs to be conserved and protected. After all, this is situated in a conservation area and removing the wall would have an impact on the character and appearance of Town Head. 2. By creating one car parking space in the front garden will impact on other peoples ability to park on the road as they will be unable to park across from the driveway thereby losing even more car parking spaces. Town Head is a very narrow road. Subsequently, parking will become even more problematic for people who live on Town Head and exacerbating the problem of parking we already have in the centre of Honley.
