If this one is allowed it will create a precedent and other walls will tumble, detracting from the character of the conservation area Object on highways grounds, creation of this space will not alleviate parking issues in Town Head. The proposed access is in an incline, on a bend in a narrow road. The proposed removal/resiting of one of existing gateposts is surely a matter of concern to the residents of all 5 cottages who share this access, and who have old traditional outhouses adjacent to their properties. It is important to retain the existing character of this corner collection of cottages in our village
