Subject: Dead Sycamore 5 day notice at huddersfield grammar school hd14qx
Date: 29 June 2020 16:13:57

Good Afternoon Joe

Hope all is well,

After a call last Friday and a site visit at huddersfield grammar today there is a dead sycamore tree brought to our attention near the main entrance to building which as been shedding small branches, After a look at a the tree there is large amounts of cambium die back on main stem and decay and for safety reasons we want to remove the tree under a 5 day notice, I have attached some photos and if you need any more information please contact me .

Kind regards

Steven Housecroft
