Town and Country Planning Act 1990

Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2020/62/92252/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ALTERATIONS TO SITE ENTRANCE INCLUDING ERECTION OF COLUMNS, ENTRANCE GATE AND INCREASED HEIGHT OF WALL

At: 1, PRINCE WOOD LANE, BIRKBY, HUDDERSFIELD, HD2 2DG

In accordance with the plan(s) and applications submitted to the Council on 15-Jul-2020, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:

1.The proposed boundary wall and electric gate, by reason of their height and solid appearance, would represent an oppressive feature losing the open vista of the estate at the application site. The proposal would be harmful to the character and appearance of the street scene along Prince Wood Lane and would have a detrimental effect on visual amenity. As such the development would be contrary to Policy LP24a of the Kirklees Local Plan and to the aims of Chapter 12 of the National Planning Policy Framework.

Plans and specifications schedule: -

Plan Type	Reference	Version	Date Received
Location Plan 1:1250	G710		15 July 2020
Proposed layout & elevations	G710-01	A	15 July 2020

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. The Case Officer requested amended plans during the process of the application to seek an amendment which would reduce the impact of the development on the visual amenity of the area. Where the agent has declined to submit any amended plans within a reasonable time frame. This decision is based on the original documents submitted.

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

Site Notice

- The application has been publicised by notice(s) in the vicinity of the site. Please would you now remove the notice(s) and responsibly dispose of to avoid harm to the appearance of the local area.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.

- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:

    i) 28 days from the date of this notice where the enforcement notice has been served,
    ii) 28 days of the date of service of the enforcement notice or,
    iii) 12 weeks of the date of this notice,

  which ever period expires earliest.

- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/planning-inspectorate . Further information on the Planning Appeal process can be found online at the Planning Inspectorates website https://www.gov.uk/government/organisations/planning-inspectorate.

- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.
