<p>The planning application in question would greatly affect the character of the conservation area and undermine the aesthetic of the village, the original dwelling already grossly dominates it's plot alongside all the other unauthorised structures and landscaping.</p> <p>The proposed building would be visible to the general public from the main road and a public footpath it would also greatly impede on the neighbouring properties views, drainage, sunlight and negatively affect the value of the property also.</p> <p>Due to the fact that the current dwellings owners have brazenly disregarded planning and enforcement I would suggest that any future plans not be passed until they comply with the enforcement notices already served and ignored.</p> <p>Regards</p>
