Subject: Planning Application 2020/92307

Good evening

I'm writing just to advise I object to the planning application for the development off Rowley Lane.

As a family based in Shelley commuting to schools in Highburton and Kirkburton, also trips towards the town centre/including supermarkets etc, the traffic as it stands already on Penistone road is a nightmare! I believe this will just be too much to add to what is already a current issue.

Also the schooling around the surrounding areas will be impacted, including further services such as Doctors, Dentists etc!

Kind regards
