<p>I strongly object to the plan for housing off Rowley Lane, Lepton. This road is congested enough with accidents regularly occurring at the junction with Penistone Road. The roads can't take this amount of traffic. Has any thought gone into how this will effect the wildlife? This is green belt land, and should remain a small such. Wildlife is crucial to our planet and sustainability. Kirklees has other areas more suitable for housing, which is not geeen belt land. 75 houses, each house having 2 cars will cause chaos!! This cannot go ahead.</p>
