I am writing to oppose the above planning application.
The school cannot take this. It is already too full with appalling traffic congestion and road rage.
The traffic on rowley lane junction is already backed up and is impossible to navigate and get out.
There are badgers and deer here and they will be endangered.
All the existing wildlife will be endangered.
There are bad floods down this road every year.
Crime will increase.
This area has been ruined with the Fenay bridge estate.
I cannot disagree more with this development.

Rowley lane resident.
