There a huge number of issues with this scheme, including : 1. Road access from Penistone Road - Penistone Road is extremely busy, there is not adequate turning into Rowley Lane. Rowley Lane is overused already - in particular at school start/finish times - this represents a major risk to children attending the school on Rowley Lane 2. Access from Hermitage Park. The development will mean a ridiculous amount of traffic entering the proposed development through Hermitage Park 3. Environmental considerations - already flooding issues on Rowley Lane (recently highlighted in the local press) - more houses would exacerbate this problem 4. Local amenities - the infrastructure (schools, shops, GP surgeries etc) is not equipped to handle the proposed increase in dwellings 5. Local heritage - the development will impact on Lepton Great Wood which is a site of natural beauty. Also, there are restrictions due to the view from Woodsome Hall.
