Subject: 2020/60/92331/E Land of east Leeds road, chidswell, shawcross, dewsbury

> I strongly object to this application because:-

>

> 1) More pollution to the extra vehicles that will travel on the A653 and surroundings roads

> 2) A massive increase in traffic noise

> 3) The wildlife is not being considered, there are numerous species in our woods and trees

> 4) Bats are a protected animal, there are thousands of these that fly the fields

> 5) There will be no separation between Kirklees, Leeds & Wakefield, the land acts as a zero carbon emission.

> 6) What about a high school, doctors, dentists, these are already over subscribed.

> 7) Our view from the house will be taken forever with houses backing right onto our gardenwall.

> 8) This is a massive stress & worry for everyone around the area.

> 9) Plenty of other land that will not affect anybody to build on.

>

> Regards

> 1072 Leeds Road, Woodkirk, Dewsbury WF12 7QS
