Subject: 2020/60/92331/E Land east of Leeds Road, Chidswell, Shaw Cross, Dewsbury

I strongly disagree on the grounds of:-

This is green belt land and should be protected.

Use up the brown belt area before trying to build on good agricultural land.

Volume of traffic will increase, traffic on the A653 is already congested.

More traffic pollution & noise.

The roads cannot take any more traffic, the tarmac is already lifting, potholes in the road, despite many complaints to the council.

Protected species such as bats have not being taken into account.

Wildlife that are in the woods and trees will also be gone forever.

The view of beautiful fields will be also be gone that back onto our garden wall.
