RE. Land East of Leeds Road, Chidswell, Shaw Cross, Dewsbury.

Dear sir,

I would like to raise an objection to the proposed destruction of land East of Leeds Road, Chidswell. My family have been lucky enough to walk in this beautiful landscape for many years.

The destruction of these open spaces to walk impacts many other people in the wider areas of Gawthorpe and Ardsley and Ossett who do not have access to transport to other open areas. I am sure other people will have mentioned issues such as loss of wildlife habitat and loss of vital agricultural fields. But me and my wife feel there are issues that are not easy to quantify, and that is the impact on people's health and wellbeing.
Thank you for taking time to read this email.

Yours respectfully,

158 Kingsway
