Hi

I strongly object to the above development.

This will be the largest loss of good quality agricultural land in Kirklees.

It will have a detrimental impact on the two ancient woodlands.

It will have a detrimental impact on wildlife and habitats. The whole area is teeming with wildlife like deer, hares, barn owls, tawny owls, brown owls, kingfishers and otters.

The traffic is forever increasing.

Shawcross now has a McDonald's restaurant, nearly 300 newbuild homes on Owl Lane and a further 50 newbuild homes on Challenge Way.

The whole area needs protecting not developing into lego city.
