Hi

I strongly object to the above development.

This will be the largest single loss of good quality agricultural land in Kirklees.

It will have a detrimental impact on the two ancient woodlands, habitats and wildlife.

The entire area is full of wildlife and birds. The wildlife reports are out of date or inaccurate.

I live on Chidswell lane and the traffic has increased over recent years. It is constantly used as a rat run. At times it is very busy and dangerous. It is a narrow single country lane which is used by walkers, families, cyclists and equestrians.

Since Covid lockdown there is now a McDonald's restaurant, nearly 300 newbuild homes on Owl Lane and a further 50 newbuild homes on Challenge Way.

I feel deeply saddened by this development. The loss of this green belt land, the two ancient woodlands and wildlife is irreversible.

Boundary End Cottage, Chidswell Lane, Dewsbury
