Hi

I strongly object to the above development.

This will be the largest loss of good quality agricultural land in Kirklees which can never be replaced.

It will have a detrimental impact on the two ancient woodlands and habitats. These ancient woodlands and habitats need to be protected not destroyed.

The whole area is teeming with wildlife and birds. The wildlife reports are out of date or inaccurate.

My parents live on Owl Lane and the traffic is forever increasing. As far as I'm aware the traffic/highway surveys were carried out during COVID LOCKDOWN when the roads were at their quietest.

Since this time Shawcross now has a McDonald's restaurant, nearly 300 newbuild homes on Owl Lane and a further 50 newbuild homes on Challenge Way.

I currently live in Tingley but due to move into my new house on Leeds Rd very shortly. I'm very saddened by this development and the detrimental impact on the green belt, woodlands, wildlife, highways and infrastructure.

21 Smithy Lane, Tingley, WF3 1QG soon to be Leeds Road.
