<p>These comments are in addition to my objection in 2022. Since 106 been made available.</p> <p>I would like to add that the surveys are so out of date and the field and land surveys not re done. They were done years ago and should not be used again.</p> <p>The road changes so far have absolutely not helped and owl lane and Leeds road are a nightmare. The amount of traffic cutting the corner off at shaw cross is ridiculous and coming up Chidswell lane and down Windsor road. The roads cannot take the volume of traffic you are agreeing to. Since Chidswell lane have stopped allowing traffic to turn right opposite school entrance all that traffic goes up Chidswell lane and back round passed macdonalds turning right at traffic lights. It's a complete mish mash.</p>
