<p>I live on Leeds Road, the road is BUSY and DANGEROUS as it is. We don't need more cars and vans and traffic on that road or surrounding roads. They will be more people KILLED and more ACCIDENTS. Sometimes MY GARDEN flooded with the rain so if you build that concrete jungle my house will floor. Just leave the field to be fields. We are all going to be living on top of one another and that's not right, think of peoples human rights. And my mental health has been bad over this lockdown but to go for a walk in the fields with my dog has been good. And to see a lot of other people doing the same, it's sad you are wanting to take that way from the people of that area. We don't need in city living out here because that is what you are doing by wanting to build THIS DEVELOPMENT So I say NO!! NO!! NO!! NO!! NO!! NO!! NO!!To the development.</p>
