<p>This is one of few places where you can get away from the smog of cars and relax surroubbed by greenery and the sound of wildlife. Those residents whose properties look onto these beautiful views will lose them and ose the privacy. The roads around area are busy enough as it is, as it is one of the main routes from Dewsbury to Leeds. This will increase congestion and cause delays. The area is swamped and schools are to their limits. Extra population will mean there wont be enough school places to cope with the children in the catchment area. The whole development needs stopping and people need to stop and think of consequences instead of seeing pound signs and showing greed and ignorance.</p>
