What is the application for?:	Outline planning application for demolition of existing dwellings and developmen
Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This development proposal decimates ones of the last remaining green belts in the area. Traffic is already clogged on Leeds Road and Owl Lane, and Chidswell Lane is very narrow. Creating the proposed access roads will just increase traffic on these roads. There are multiple empty office and commercial buildings locally at the moment for various reasons so I see no reason to build more. In terms of housing, these need to be build on non green belt land. Dewsbury and the surrounding areas do not have enough green space as it is. The area is currently one of the last beautiful areas of farmland and fields and this would dramatically affect the look and feel of the area and would affect properties on Heybeck Lane very negatively, as well as having further impact on the primary schools on Leeds Road and at Hill Top in terms of traffic.</p>
