<p>I object because it is a green field site which should be protected. I think this number of houses will put too much strain on the town of Ossett. It will mean more traffic problems on the roads, more traffic in the town of Ossett as people will probably want to shop in the town and the nearest secondary school to these houses is in Ossett. Surely there are brown field sites within Kirklees that could be built on before building on green fields.</p>
