Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>Firstly, The planning to build so many houses on the greenway is ludicrous as The areas that surround this land can't currently cope with the amount of traffic as it is. Leeds road on a normal day is over populated by cars. People on this road and other areas that surround the green way cope with enough traffic noise and pollution as it is. Secondly, this land whilst covid has been around has been the saviour to a great deal of people, offering mental well-being, escaping the surroundings of their home to exercise whilst not breaking the social distancing rules. We need land around us for times like this, if there hadn't of been I feel there would of been a great deal more people requesting the help of the nhs for mental breakdowns. The amount of nature on these lands that has given people peace whilst on solitary, you can't replace that you are also destroying a great deal of nature in removing this land, at some point there will be nothing left for animals to go as we become more and more over populated.</p> <p>Don't destroy all we have for greed, because at the end of the day that's what it is , to cram a load of houses tightly together to line the fat cats pockets with even more money. Leave our Green way untouched, it's needed my many</p> <p>Regards</p>
