<p>The conservation of the area is vital to maintain a green belt in the area. The rolling countryside is a natural beauty of the area and it would be a pure crime in greed to accept any development on the area.</p> <p>Leeds Road is already congested and access routes surrounding chidswell road are not adequate for such a development.</p> <p>People living on Leeds Road have loudly and visually displayed despair over the development. Existing tenants and council tax payers deserve the say on this land. Kirklees Council has a duty to maintain the character of the area.</p> <p>The schools surrounding the development plan has not the capacity to support more students.</p> <p>Shawcross and Chidswell is where I was brought up. I am proud of the character and community spirit in the area, this development threatens to destroy both the spirit and the stunning views irreversibly.</p> <p>I agree we need more affordable housing in the area and do see the need for development however this land should not be the place for it. We should be looking towards Owl Lane and expanding onto the modern housing development next to Dewsbury Rams, the old tip & the garden centre. Land already transformed.</p>
