<p>This development is totally wrong on three counts - 1) the invasion of this prime farming and green belt land is unacceptable there are masses of "brown earth" and old industrial sites in Kirklees that should be prioritised.</p> <p>2) - a development of this size completely overwhelms the local infrastructure, roads and schools.</p> <p>3) This area is a rare and beautiful part of Ossett and Chidswell the ancient woodland and stream systems will be destroyed, to build on it will be a scandal.</p>
