What is the application for?:	Outline planning application for demolition of existing dwellings and developmen
Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I wish to object to the proposed development as there are a number of things that a wholly wrong and unjust about the development not only is it in green belt land surrounded by very mature forests that support a vast array of wildlife and bio diversity. Not to mention the amount of oxygen that such a wide area contiubutes to the green house effect the face it is green belt land alone is enough not to build on this land in any away shape or form. Secondly Wakefield and Kirklees do not have the supporting infrastructure to support the amount of houseig going up in this area I see plenty of housing going up. In and around this area and no new doctors no new schools no new dentists etc. And not even a mention of them been built in the feuture They boast it will create jobs but for how long ? This needs to stay as green land not turned into yet more problems no mention of affordable (council houses) This will not benefit any one but the developer and the land owner I fully object to this proposal 100%</p>
