<p>I am concerned with the loss of more green areas in our local areas. Once this is gone it is lost forever, this is not fair on the local people who live in that location.</p> <p>I also object because of the numbered housing planned that would mean around 200 to 400 extra cars in the local area plus the prospect of flooding due to more green areas lost and rain water not being able to soak in to the fields.</p> <p>I object due to loss of wildlife and trees.</p>
