Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This application for 1500+ houses will have a detrimental effect on local wildlife, schools, Drs etc. You are wanting to build of green belt land. This should not even be considered. There are plenty of dereliction and brown belt sites within the local area that could be thought of first. There is no consideration for local schools which are already at full capacity and loosing green belt land will have a detrimental effect on the local wildlife and pollution levels with the removal of trees etc. The increase in traffic/pollution will not be counteracted because of the removal of green spaces</p>
