<p>I think the building of all those houses will be detrimental the the surrounding area as we have enjoyed the green belt for generations and hopefully generations to come. My concern that their will more traffic on the already busy roads.</p> <p>And I would like to know were all the extra children going to go to school as all the schools in the area are already full to the brim.</p> <p>And the extra pollution all the traffic will generate is too much.</p> <p>And we will loose the character of our village that I live in.</p>
