<p>The roads in the area can only just support the amount of traffic that currently uses them. They would grind to a halt at rush-hour if plans go ahead.</p> <p>We are surrounded by industrial and suburban areas in Hanging Heaton, Shawcross and Gawthorpe. The fields and woods provide some much needed green space for clean air, exercise and nature.</p> <p>I believe the church is turning its back on the local people in search of prophet. The amount of signs outside peoples houses in the area show how much the local residents do not want this development. The church has a duty to the local congregation, I do not believe this development is for the good of the local people.</p>
