What is the application for?:	Outline planning application for demolition of existing dwellings and developmen
Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This proposal would rob a high population area of valuable green space for walking and exercise. It would also destroy valuable habitat for existing wildlife particularly those who rely on farmland and hedgerows. Traffic is already a huge problem due to the locality of the motorway with the area becoming gridlocked if any problems arise. Even though some woodland would be retained in the proposal, the additional light pollution, noise and human activity located so close to the woodland areas would have a negative impact on the local wildlife. Furthermore, the local GP surgeries are already extremely over subscribed with the current population, a development of this size would put huge strain on these resources.</p>
