<p>Having grown up and worked in the area. I find the plans put forward totally unsuitable for the area, it's residents and the environment.</p> <p>Putting the wilful destruction of some of the very little greenbelt we still have left in Dewsbury to one side.</p> <p>The current road network around the proposed developments is already at breaking point. The new development will make things even worse.</p> <p>The lack of healthcare, education and infrastructure provision proposed in these plans is also staggering by its absence.</p> <p>Why can't future developments and investment be centred upon Dewsbury town centre? Which lets face it is far more in need of the radical steps suggested for the Chidswell area. Which in my opinion is one of the few "nice" areas left within the Dewsbury area. Please let it remain so...</p>
